

The Hillview Cemetery Board met on October 22, 2019 at the Legion Hall at 7:00 p.m. Present were Ernie Marinko, Doris Tollefson, and Sherman Lacock. President Ernie Marinko called the meeting to order at 7:00. The minutes of the previous meeting were read and accepted.

The water line project and its cost were discussed. Ernie will get a quote for the cost of this project from Tyler Haider. After getting a quote of the cost of this project, it can be decided what needs to be done to pay for the project. The next meeting was set for November 6 on the condition that we have a quote for the cost of the water line project. If there is not a quote, then the meeting will be scheduled for a later date.

The cemetery map as well as the cemetery directory need to be updated. Doris will work on that project.

Wade Riden will be contacted to determine what date for a workday at the cemetery would be acceptable for him. Four stones need to be set as well as straightening a headstone.

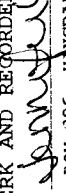

Meeting adjourned at 7:50.

Respectfully submitted,
Doris Tollefson,
Secretary
