

The Valley County Council on Aging Board met on Wednesday, August 14, 2019 at the Senior Citizen Center in Glasgow. President Pat Neuleib opened the meeting at 1:00 p.m. She read the minutes of the May 22, 2019 minutes and they were approved.

Vicki said the meals at the Senior Center meet all the criteria and the Valley View crew loads the meals and she brings it to the Center. If the meals need to be heated they see that it gets done. Things are working smoothly and the meals are fabulous.

Vicky said they have 21 home delivered meals and that is the maximum they can have. That includes the ones taken to Nemont Manor.

The meals for July 2019 were: 481 in Glasgow, 153 in Nashua, 76 in Hinsdale, 24 in Fort Peck and 190 in Opheim plus 352 home delivered.

Vicky needs help with commodities! This requires a lot of lifting. There is to be a change in the size of the items given out. The packaging will be smaller.

Lisa passed out a *Care Share* that informs people about *Paying Medical Bills – the Do's and Don'ts* and *10 Elder Fraud Scams to Watch Out For*.

No further business so the meeting was adjourned at 1:25 p.m.
